Welcome to the 2022 Annual Meeting of the Star of Texas Credit Union. I am truly humbled by the level of trust you have in myself and fellow board members. I can assure you; it isn't taken for granted. I would like to thank you for taking a proactive interest in your credit union's "one member, one vote" structure and philosophy.

I would also like to thank the board of directors for their dedicated service, commitment, and passion for serving our members and community. They have contributed greatly to the success of Star of Texas.

As you will see in the Annual Report, Star of Texas Credit Union performed well in fiscal year 2021 despite the many challenges we faced. We continue to be a well-capitalized financial institution, with a strong net worth ratio over 10 percent. To put that in perspective, a net worth position above 7 percent is considered well-capitalized by our regulators. Your participation in Star of Texas means we are in a strong financial position to continue meeting your lending needs, offer a wealth of savings tools, continue developing our online services and add new financial products and services that enhance your life, improve our delivery channels, and expand our outreach.

As a financial cooperative, we recognize that we most effectively serve you and strengthen the credit union movement when we are actively engaging in the vast network of service groups and organizations that support our credit union. For instance, our membership in the Cornerstone Credit Union League, our regional credit union association, allows us to benefit from the advocacy, education, tools, and resources that are designed to support our endeavors and, by extension, you—our members.

I am also pleased to report that our partnership with the organization "Inclusiv" remains strong and Star of Texas is proud to be a designated "Juntos Avanzamos" credit union that is committed to serving and empowering Hispanic consumers in designated low and moderate-income communities of Austin.

As a result of our partnership, in late 2021 we were awarded \$1.8 million in federal grant funds through the U.S. Department of the Treasury's Community Development Financial Institutions Fund (or CDFI) dedicated to help our members in the form of credit, capital, and provide other important financial services to disadvantaged and low-income communities within our field of membership.

Leadership Changes

2021 was also a year of transition in the leadership of the credit union. We are delighted to welcome our new CEO, Mr. David Van Buskirk. Dave has been in the credit union industry for over 12 years and comes to us from the Houston area. He began with Star of Texas back in late August. We have every confidence in his abilities to lead us into the future.

Bylaws Changes

Other notable changes in leadership include the resignation of (2) board directors in late 2021. As a result, the Board passed and filed a Certification of Resolution of Standard Amendment to Credit Union Bylaws, Chapter 5, Section § 5.01 with the State Department on December 16, 2021 to allow us to operate with a reduced (5) individual members, rather than (7). The Resolution was approved by the State Commissioner and filed on December 31, 2021.

Just as there were challenges in 2021, there will undoubtedly be challenges in 2022. I am confident that by focusing on making our members' lives better and working together, the Star of Texas team is well poised to address any challenges we might face.

I take great pride in that fact that I participate in a local and trusted financial cooperative and I hope you do as well!

Julie Galarraga, Chairman (2022)

69th Annual Membership Meeting Minutes

The 69th Annual Membership Meeting was held on Wednesday, June 30, 2021 via Zoom. Mrs. Julie Galarraga, Chairman of the Board of Star of Texas Credit Union, called the meeting to order at 6:12pm.

Mrs. Galarraga appointed Ms. Diana Garcia to act as Recording Secretary after noting quorum was reached.

Mrs. Galarraga presented the 68th Annual Membership Meeting minutes. A motion was made by Mr. Noe Martinez and seconded by Ms. Odalis Toral to dispense of the reading of the minutes. Using the voting feature in Zoom the membership approved minutes from the 68th Annual Membership Meeting.

Mrs. Julie Galarraga presented her chairman report which included accomplishments in 2020, challenges during COVID and new items to look forward to in 2021.

Mrs. Galarraga then introduced Mrs. Youssef Lahlou, the Treasurer of the board of directors, who presented the 2020 Annual Financial Report.

There being no old business we moved into new business, where Mrs. Julie Galarraga, serving as chairperson of the nominating committee, presented the 3 nominees running for 3 open positions on the board. The candidates that were presented each gave a speech discussing why they wanted to be elected. Following their speeches, the membership used Zoom to vote for 1 person so serve in each of the 3 seats. The candidates that were running were: Enrique Loza, Anthony Chapa and Patricia Barrera. The vote determined that the following 3 members would serve for one three-year term each: Enrique Loza and Anthony Chapa.

Mrs. Galarraga thanks everyone for running and congratulate the newly elected board members. The meeting concluded with 1 drawing, worth a \$50 cash prizes deposited into their credit union account. It was noted that winners must be present to claim their prize.

There being no further business the meeting was adjourned at 6:50 pm.

Diana Garcia Recording Secretary

Nominating Committee Report

The bylaws of the credit union call for a nominating committee to be appointed by the board of directors each year for the purpose of interviewing and reviewing candidates for election to the board of directors. The process includes careful screening of all candidate qualifications. Based on the review process, which considers both qualifications and willingness to serve, any applicants are considered for available positions on the board of directors.

This year we received no new applications for nominees to fill (2) proposed board positions that went vacant in 2021.

2022 CANDIDATES FOR RENEWAL:

Julie Galarraga, Chairman Youssef Lahou, Treasurer

Both Youssef and Julie have agreed to serve another 3-year term with Star of Texas and we are sincerely grateful for their service and commitment to this credit union.

I wish to thank my fellow members of the nominating committee who contributed their time and talents in fulfilling the committee's responsibility of offering qualified nominees to fill board positions. Other members of the nominating committee were Frances Laurel and Ruby Segura.

Treasurer's Report

The Financial Condition Report you have before you indicates that Star of Texas continues to be a secure and liquid organization with total assets over \$60 million dollars.

2021 was an interesting year mixed with repeated challenges related to the pandemic and new challenges related to management changes. In light of this, it is important to note some important financial accomplishments.

Items of interest in this year's report include annualized growth in loans exceeding \$1M or 3% over 2020. Deposits continued to grow by a substantial 13% in 2021 as many members received stimulus money and loan proceeds related to COVID. As a result, Star of Texas remains well-capitalized and closed the year with total deposits to Undivided Earnings of \$781,666.

In summary, the financial condition of your credit union continues to be positive and strong. With many challenges and opportunities that lie ahead, your Board of Directors will continue striving to meet your needs and expectations in a financially responsible manner in 2022 and beyond.
